State

A handwritten capital letter 'A' is centered on the lower half of a piece of lined paper. The paper has horizontal ruling lines. The letter 'A' is formed with a single continuous stroke, starting from the bottom left, going up to the top right, then down to the bottom right, and finally back up to the top left to complete the loop.

The diagram illustrates the relationship between a layer description and a table of layers. On the left, a box labeled 'LAYER DESCRIPTION' contains the letter 'B'. On the right, a table titled 'LAYERS' has two columns: 'Designation' and 'State'. A line connects the 'B' in the layer description box to the 'Designation' column of the table, which also contains the handwritten text 'l.g.'.

The diagram illustrates a two-layer system. Layer A is the upper layer, and Layer B is the lower layer, separated by a horizontal line. To the right, a table titled "LAYERS" is shown with two columns: "Designation" and "State". The table contains handwritten entries: "M" in the first row and "V/S COJS" in the second row. A horizontal line connects the boundary between layers A and B to the boundary between the first and second rows of the table.
